Washington, D.C. 20231

Dear Sir:

**Remarks**

Applicant expresses appreciation to the Examiner for the telephone conferences between 3/29/03 and the present date. As was discussed in those conferences, Applicant filed the Request for Continued Examination on November 26, 2002, under the assumption that the Examiner would obtain full translations of the foreign patent documents currently being cited against the present application. Applicant respectfully submits that the foreign patent documents currently being cited against the present application do not enable one skilled in the art to practice Applicant's invention. As such, Applicant respectfully requests that full translations of these documents be provided that they may be fully considered for their complete teachings.

Should the Examiner wish to discuss any issue regarding this response, Applicant invites her to do so by telephone conference.
